THIBAUT

Natural Simplicity

Timeless and universal, natural fibers have been used to enhance our living space for over 2,000 years. Its broad appeal comes from its subtle simplicity and inherent imperfections. Our latest collection introduces over 150 new styles carefully constructed with the finest raw materials. Thibaut wallcoverings include raffia, jute, sisal, paperweaves, wood veneers, abaca, linenmesh, and cork to create a truly unique and tactile experience. From quiet, refined elegance to bold, colorful statements, our natural collections have something for everyone.
